

New show home opens in Hinckley

House-hunters looking for a new property in Hinckley are advised to visit **Outlands Croft, off Outlands Drive, where Jelson Homes has opened a new show home which has been designed to give visitors a first-hand look at just what these properties have to offer.**

The Linnet, a three-bedroom detached house, has been professionally styled, using a

colour palette of red and cream, as well as aubergine and hints of pink. On the ground floor, visitors will find a convenient cloakroom, a spacious open-plan living and dining room and the kitchen. Upstairs is the family bathroom and three bedrooms, with the master bedroom benefiting from an en suite.

The launch of the show home, where the marketing suite will now be located, coincides with the

release of a new phase of one-, two- and three-bedroom homes, starting from just £89,950 – giving house-hunters even more reason to visit.

Experience Jelson's quality

As with all Jelson homes, you get a lot more for your money than just bricks and mortar: you can rest assured that each property is built to traditional standards, with features such as solid internal walls, fitted kitchens from Jelson's own workshop and Jelson-made PVCu windows, setting them apart from the competition.

Whichever property you choose, it will benefit from a great location in an established residential area, with Hinckley town centre's bustling high street, regular markets, restaurants, theatres and cinema all within easy reach.

The Tawny is available at Outlands Croft

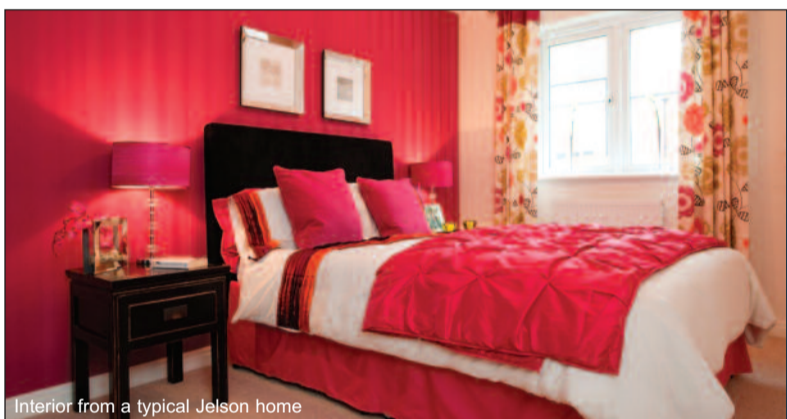

Leicester city centre and the Fosse Park shopping centre are both nearby, for a wider selection of shops and, for a change of scene, there are plenty of opportunities to enjoy the great outdoors in the surrounding countryside.

Travel links are good, thanks to the nearby A5 which provides easy access to the M1 and onwards to London. Travel to Birmingham, Leicester and Nuneaton is also

straightforward by car or public transport.
